Re: FMLA Class

Dear Nort,

The Officers and Members of UAW Local 174 would be remiss if we did not put something in writing to officially thank you for that great FMLA class put on by you on June 5, 2008, here at the Local.

Nort, the class was excellent, very informative and we received nothing but positive feed back from the members that were in attendance.

We encourage you, your partner, Bruce Miller and the entire firm to continue your good services.

Sincerely,

George Hardy
2nd Vice President
